Re: SPO300-02-D-3023

Dear Mr. Smith:

We are in receipt of the above-referenced contract providing full line food distribution with Sysco Foodservice of San Francisco to Sierra Nevada Job Corps Center. This letter is to advise you we will not participate in this government program. This decision is a result of on-going and continuous problems we have had with the DFAS billing system for the last several years.

The program works very satisfactorily in the areas of purchasing, availability of and delivery of food, and contractor support; however, after this point the program turns into a complete disaster. The DFAS billing is lengthy, with invoices sometimes being months behind, and when finally billed, the paperwork from DFAS cannot be matched to correlate to our invoices/purchase orders.

I cannot tell you how badly the program functions. You would have to work at this end of the spectrum to realize the inadequacies of the DFAS billing system.

I know Mrs. Pedroza has informed you already that we are dropping the program. I sincerely regret having to do so, but until improvements are made, we can see no alternative.

Sincerely,

John C. Mattina  
Director, Finance & Administration
